Precision Auto Reels Repair Form

All original PARs will be converted to PAR2s at time of repair.

Please remove all parts not requiring repairs: Penn reels, frames, drive shafts, etc. For each box of repairs please include this form with name and information.

- **If you would like a reel spooled with braid or monofilament** prior to return, please include a request on this form describing poundage and yardage desired.
- **If using UPS or FedEx**, please call for an alternate address.
- **Unpaid repairs left more than 6 months** will be sold to recover the cost of the repair.
